

# Quality Improvement Center ON EARLY CHILDHOOD

## Trends in and Implications of Current Child Maltreatment Data

*This product was developed by the National Quality Improvement Center on Early Childhood (QIC-EC). The QIC-EC is funded by the U.S. Department of Health and Human Services, Administration for Children, Youth and Families, Office on Child Abuse and Neglect, under Cooperative Agreement 90CA1763.*

# What is the Quality Improvement Center on Early Childhood (QIC-EC)?

Center  
for the  
Study  
of  
Social  
Policy

**Five-year cooperative agreement** between the Children's Bureau (ACF, USDHHS) and the Center for the Study of Social Policy, in partnership with ZERO TO THREE and the National Alliance of Children's Trust and Prevention Funds

# Goals

Participants will:

- Discuss findings from Child Maltreatment 2009
- Consider the unique experiences of infants in the foster care system
- Discuss factors that predict neglect
- Learn about Wisconsin's prevention and intervention programs

# Some Additional Resources

- [\*Declining Rates of Child Sexual Abuse and What This Really Means\*](#) – webinar recording
- [Child Welfare Outcomes Report Builder](#)

# Presenters

- Ying-Ying Yuan, Ph.D. – NCANDs Data, emphasizing 0-5
- Michelle Ernst, Ph.D.– Infants and Toddlers in Foster Care
- Kristi Shook Slack, Ph.D. – Predictors of Neglect
- MaryAnne Snyder, BA – Wisconsin Perspectives and Programs

# Next Up for the Learning Network

- Join us at the [Preventing Maltreatment and Promoting Well Being: Network for Action Summit](#), June 21-22, 2011
- QIC-EC Workshop at [Strengthening Families Summit](#), June 22- 24, 2011
- Webinar, TBA, Summer 2011
