

Additional Resources:

Promoting the Optimal Development of Young Children and Their Families Affected with HIV/AIDS and/or Substance Abuse

The following resources were suggested to supplement to the Quality Improvement Center on Early Childhood's Learning Network webinar on September 25, 2009, *Promoting the Optimal Development of Young Children and Their Families Affected with HIV/AIDS and/or Substance Abuse*.

1. CESAR FAX on Substance Use Among Pregnant Women.

<http://www.cesar.umd.edu/cesar/cesarfax/vol18/18-31.pdf>

CESAR Fax provides a weekly, one-page overview of timely substance abuse trends or issues. Over 3,500 subscribers receive a Monday morning email or fax, including Federal and State policymakers; prevention specialists; treatment and health care providers; law enforcement officials; researchers and academicians; and media representatives.

2. The Children's Bureau latest release in the Child Abuse and Neglect User Manual Series, *Protecting Children in Families Affected by Substance Use Disorders*, is available for download from the Child Welfare Information Gateway website.

Read the manual at www.childwelfare.gov/pubs/usermanuals/substanceuse

The entire User Manual Series is available at www.childwelfare.gov/pubs/usermanual.cfm

For more information, contact Child Welfare Information Gateway at info@childwelfare.gov or 1.800.394.3366

3. Information & resources on substance abuse in families:

http://aia.berkeley.edu/information_resources/substance_abuse.php

4. Information & resources on HIV in families:

http://aia.berkeley.edu/information_resources/hiv.php

The Source – bi-annual magazine on issues related to substance abuse and/or HIV in families:

<http://aia.berkeley.edu/publications/source.php>

<http://aia.berkeley.edu/publications/monographs.php> -- #2 and #3 would be pertinent.

http://aia.berkeley.edu/training/conference_archive.php -- archives of trainings.

http://aia.berkeley.edu/publications/fact_sheets.php -- AIA fact sheets (including Women & Children with HIV/AIDS; Prenatal Substance Exposure; etc.)
